

I'm an Achiever (No I'm a Scholar)

Arranged by M Faaea-Semeatu c 2009

Then I saw my grades
Now I'm an achiever
Thought there was a mistake
Got the shock of my life
Then I saw my grades
Ooh ... I'm an achiever
No I'm a scholar cos I tried

I thought that I'd fail my NCEA exams
Memory loss just followed me around
I struggled to remember
Everything I learned
I had trouble writing down the words

Then I saw my grades
Now I'm an achiever
Thought there was a mistake
Got the shock of my life
Then I saw my grades
Ooh ... I'm an achiever
No I'm a scholar cos I tried

Well have you seen my grades?!
Cos I'm an achiever
No there's no mistake
There's just no surprise
I got some awesome grades!!
Ooh ... I'm an achiever
You better believe it – cos I tried

Well have you seen my grades?!
